Checkpoint #19 (km 2,535): END Picton War Memorial

Signature / Stamp / Merchant Receipt Reference

Date: **Time:**

Rules

Verification & Evidence Requirements

- **GPS Tracking:** Riders must record their positions with a GPS unit mounted on the bicycle.
- **At each Checkpoint:**
  - Your Brevet Card must be notarised.
  - A GPS-registered photo must be taken.
- **Registration:** Participants must be registered with MAProgress and use a suitable tracker to display their continuous position.

Daily Media Log

- Riders must capture at least three GPS-tagged photos per day (including the rider's face at start, mid-ride, and end) and one 10-second GPS-tagged video per day.

Rest Requirements

- **Mandatory Rest:** Each participant must accumulate a minimum of 4 hours of rest during every 36-hour period of the brevet (based on Race Across France research findings).
- **Penalty:** Failure to take the mandatory 4 hours of rest within any rolling 36-hour block results in immediate disqualification.
- **Tracking:** Compliance is tracked automatically via the MAProgress tracking site.

Equipment Compliance

- You must meet the minimum Bicycle and Equipment Requirements and submit a verification form to us at least 7 days prior to the Grand Départ.

Support & Assistance (Strictly Prohibited)

- **No External Support:** No follow vehicles, pacing, or private support crews. **This includes film or any form of multi-media crews** unless explicitly agreed to before the start with the organisers.
- **No Private Re-supplies:** No private re-supplies, pre-arranged gear stashes, or lodging provided by personal contacts along the route.
- **No Remote Coaching:** No real-time remote coaching or external pacing advice while riding.
- **Public Commercial Services:** All resupply, mechanical assistance, and lodging must be obtained from public commercial businesses (e.g., standard retail stores, bike shops, hotels) open to everyone.
- **Emergency Transport:** If you have a major issue you are able to use any transport required to get to hospital, the bike shop, etc. but you must return to the exact location where you left the route to restart.

Drafting

- **Prohibited:** Drafting behind others in the brevet, motorized vehicles, or non-registered cyclists is grounds for immediate disqualification.
- **Pairs Exemption:** Drafting is only permitted between registered team members (if riding in an official pairs/tandem attempt).

Navigation & Route Integrity

- **Continuous Route:** Riders must follow the specified route continuously.
- **Rejoining the Track:** If a rider leaves the official track for resupply, shelter, or mechanical fixes, they must rejoin the route at the exact same location where they departed.

Traffic Compliance

- Riders must strictly observe the **New Zealand Road Code** at all times.

Equipment Check List

Bicycle Mechanics & Hardware

- ☐ Standard, human-powered bicycle only — no recumbent, e-bike, electric assist, flares, or other modifications.
- ☐ Mechanical inspection passed — handlebars, brakes, and wheel hubs/rims tight with no play.

Lighting Systems (Redundancy Required)

- ☐ Two front lights fitted, minimum 300 lumens each (second may be a carried backup).
- ☐ Two rear lights, both mounted on the bike simultaneously, minimum 100 lumens each, one running at all times while riding. (Recommended: rear Garmin Varia or Magene L508 radar).
- ☐ Headlamp, minimum 200 lumens (recommended).

Reflective Tape & Hi-Visibility Standards

- ☐ Crank arms wrapped in reflective tape, min. 12 cm high, both sides.
- ☐ Seat stays fitted with reflective tape, min. 25 cm high, both sides.
- ☐ Front fork fitted with reflective tape, min. 25 cm high, both sides.
- ☐ Wheels: minimum 3 reflective strips per side on both wheels (Alternative: reflective sidewall tyres, **OR** 2 cat-eye spoke reflectors per wheel, **OR** 9 reflective spoke clips per...).
- ☐ Approved cycling helmet (CE/CSA/CPSC/ASTM) with reflective tape on left, right, and rear, min. 2 cm high, 7 cm long.
- ☐ High-visibility vest or harness.
- ☐ Two reflective ankle straps for night riding (or reflective shoe tape over shoe covers).

Safety, Survival & Emergency Gear

- ☐ Active GPS tracker.
- ☐ Onboard GPS device with route pre-loaded.
- ☐ Operational mobile phone with Kiwi Rim Ride emergency number saved (+64 27 846 2004).
- ☐ Emergency whistle.
- ☐ Dedicated waste pouch for carrying trash between stops.

Rider Protection

- ☐ Weatherproof bivy bag or tent.
- ☐ Insulated jacket (down or similar warm thermal jacket).
- ☐ Fully waterproof rain jacket.
- ☐ Leg warmers or long bib tights.
- ☐ Warm gloves or mitts.
- ☐ Neck gaiter, beanie, or cap.
